Wriggle Information Sheet (located inside the box). You will need to refer to this Information Sheet as you go through your guide.

Your New Device

Step 1.

Power On

Lift the lid or press the Lock key on the keyboard

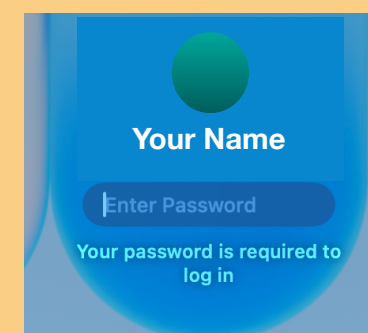

Step 2.

Password

Your Password is your Order number which is on your Information sheet

Login to your MacBook

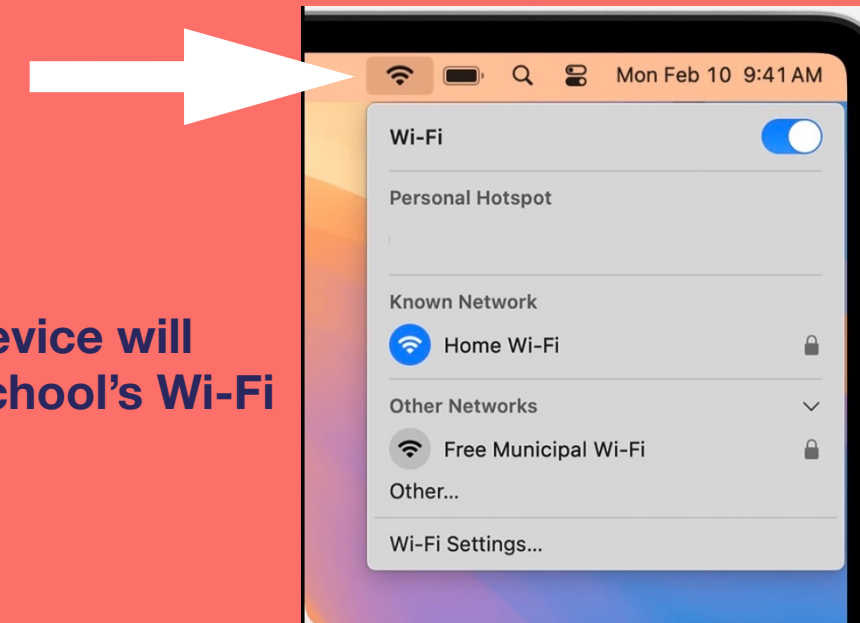

Step 3.

Connect to Wi-Fi

Find your Home Wi-Fi and Join

When you go to school, your device will connect automatically to the school's Wi-Fi

Step 4.

Access your eBooks

Important: If you receive physical textbooks from your school, you will be able to access a digital eBook for each of your textbooks using the Safari App. We have made this process easier for you by creating the account you can use to log in.

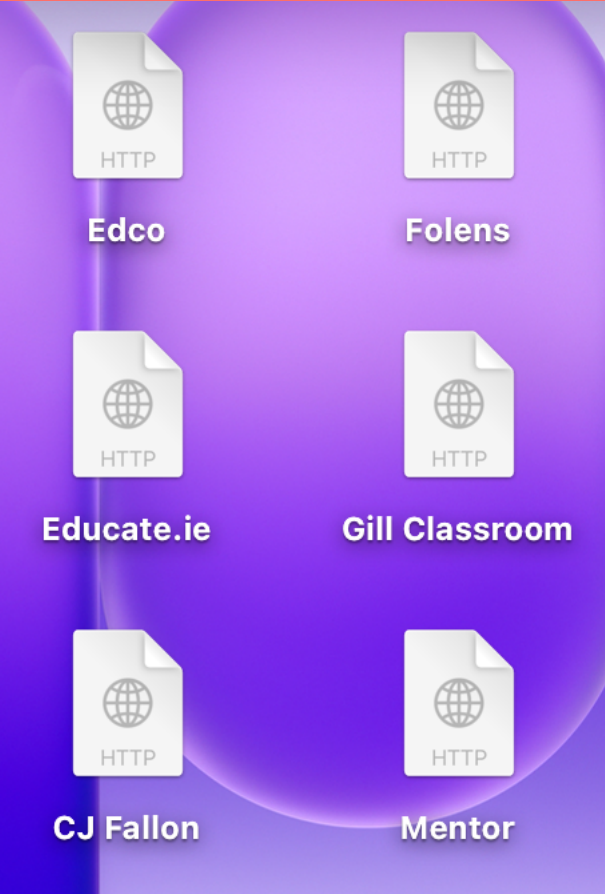

Schools may have different processes around physical books and eBooks, so please check with your school if you are unsure.

Click on each of the web clips on your Desktop and Sign into each using the eBook username and password on Section D of your information Sheet.
